MEMORANDUM FOR TX-20062

FROM: Performance Squadron Commander

SUBJECT: Beret and Rope Requirements for Teams

1. **Raider Team:** To earn the black and silver rope and beret, cadets must be Raiders team members who compete at a competition.
2. **Marksmanship:** To earn the red and green rope, cadets must be a member of the Junior Varsity or Varsity Team. To earn the beret, the cadet must be a part of the Varsity Team.
3. **Aerospace:** To earn the red aerospace rope, cadets must be the commander, an NCO, a monitor, or a part of the drone competition team. To earn the beret, the cadet must be on the drone competition team.
4. **Drill:** To earn the white drill rope and beret, cadets must compete and place 1st, 2nd, or 3rd at a competition. Cadets must also be on a current competition team in order to wear the beret.
5. **Orienteering:** To earn the green orienteering rope and beret, cadets must place 1st, 2nd, or 3rd in their level/gender/age categories at a meet.
6. **Academics:** To earn the blue academic rope and beret, cadets must either be on Varsity, or Junior Varsity JLAB team and reach Level Two of the competition; or compete at a local meet and place 1st, 2nd, or 3rd in an academic competition.

Berets and ropes are returned at the end of the school year and must be earned each year through consistently participating in the activity.

MEMORANDUM FOR TX-20062

FROM: SENIOR ENLISTED ADVISOR

SUBJECT: Lunch Procedures

1. We will use a door magnet during all lunch periods. This allows students to leave during lunch and return. The door must still be closed at all times.
2. This applies only to the door closest to the instructor offices. Do not enter or exit from any other door.
3. This policy letter supersedes the lunch procedures outlined in Cadet Guidebook Paragraph 6.3.7.
